maytronics
Exceptional
Experience

DOLPHIN WAVE 100

Heavy-duty, professional cleaner - for pools up to 20-25 m in length.

The best value for money in commercial pool cleaning

Dolphin Wave 100
Highly efficient fully automated cleaning for hotel, campground and school pools. The advanced gyroscopic system ensures accurate scanning for systematic coverage of floor, walls and water-line. High-capacity filtration space captures dirt, dust and all other types of debris, leaving clean and hygienic water throughout the cleaning cycle.

Gain heavy-duty cleaning performance, with robust reliability for long-term, cost-effective operation. Dolphin commercial robotic cleaners from Maytronics are the proven, professional solution for any commercial olympic pool – from small public pools to the largest, professional pools, getting the best value for money.
Advanced technologies ensure comprehensive scanning of the entire pool and highly effective brushing and filtering throughout the cleaning cycle.
With fully automated operation, your staff can focus on other tasks and your pool water is left sparkling clear and hygienic after every cleaning cycle.

Total pool cleaning
Unique gyroscopic system delivers accurate and effective scanning for systematic cleaning along the entire pool.
CleverClean™ scanning system ensures complete pool coverage and cleaning.

Gyroscopic navigation system inside
Gyro inside maintain stable navigation and ensure maximum cleaning efficiency.

Maximum hygiene
Thorough brushing, efficiently removes algae and bacteria, enhancing water quality.
